

How to Use Your reLent Bin:

1. Use it as an indoor place to collect recyclables (if you don't have one)
2. Put it in everyone's room and have them fill it with 10 things. Repurpose these things or donate them!
3. Place it in a common area in your home, and have it be the place all reusable items go to share with friends, neighbors, or charities!

Items you can bring to Grace:

- Clothing
- Coats
- Shoes
- Children's books in good condition
- Food for the MSF pantry
- Unopened adult incontinence pads
- Unopened cleaning products
- Unopened hygiene products

Other great places to donate:

- New Digs Ministry (5 Pleasant View Dr, Mechanicsburg)—Furniture and household goods
- Community Aid—besides clothes and shoes, they take toys, games, stuffed animals, household items, decorations, linens, books, working electronics, medical equipment, and other things. See the complete list on their site.
- Salvation Army—takes most items. See their website for a complete list.
